

Santa Monica Windjammers Yacht Club and
Marina del Rey Fleet 2 present the
2015 Super Bowl Charity Regatta
benefiting
Santa Monica Bay Sailing Foundation

Sunday, January 25, 2015

This year will be better than ever!!

The Super Bowl Charity regatta is open to all boats less than 25 feet long with Skippers aged 7 to 70 +. That's right, multiple generations of sailors will flood the Marina with little boats!

- Two courses! One competitive and one “not so competitive” fun for all abilities! Who knows, if demand and resources allow, we might try three venues!
- Great hospitality as always courtesy of Santa Monica Windjammers Yacht Club along with gifts from our loyal (and new) sponsors.
- Tune your skills, send your race team or try your first small boat regatta while supporting the Santa Monica Bay Sailing Foundation which supports youth and adult sailing programs throughout the Santa Monica Bay.
