

Fellow MDR racers,

If you've recovered from Father's day and need a easy sail with friends and family...come join us this Sunday afternoon, June 22th for **BBQ Race #3:**

" The Serpentine Course to El Segundo & Back"

Photo by Carl Hancock

Entry is cheap, course is fun, trophies useful, & club burgers won't break you!

You can enter online at smwyc.org, and as you need to stop by SMWYC to pick up sailing instructions, you may enter there, from 10:00 AM-1:00 PM on race day.

Back at SMWYC, after the race you can purchase the "Cook your own BBQ" and see who wins the trophies. We have improved hardware! PHRF & Cruiser class

The start will be at SS Mark close to detached-breakwater 14:30 PM. There will be a committee boat on station, and the finish will be the dock close to the club
