NOTICE OF RACE

Eligibility: Members of SCYA Yacht Clubs, holding valid PHRF ratings and Cruising Class boats. PHRF entries must include a copy of their current rating certificate. All entries must be received by the SMWYC Race Chairman before **1200 hours on Thursday, July 4th, 2013**. Boats must be 22 feet or longer, or a minimum waterline length of 20 feet, equipped per PHRF Category 2. A minimum crew of 3 is required for PHRF entries (Minimum crew of 2 for Cruisers and Double-Handed classes).

Race Rules: The race will be governed by the *rules* as defined in *The Racing Rules of Sailing (RRS)*. Racing rules 51 and 52 are changed to allow movable water ballast and canting keels for boats rated by PHRF that include such systems in their rated configuration. The rules are available at www.ussailing.org and www.phrfsocal.org.

Classes and Ratings: Classes will be PHRF, using Base Off-wind Course (OWC) ratings, Cruiser Spinnaker, Cruiser Non-Spinnaker, Double-handed and ORCA. A minimum of four (4) boats will establish a class. Multiple classes may start together, but will be scored separately. Cruising class boats without a rating will be assigned a rating by the Race Committee using generic PHRF Base Off-wind ratings and the rating factors on the Entry Form. Assigned ratings are final and may not be appealed.

Entry Fees: The entry fee is \$80 with a \$5 discount for US Sailing members. The fee should accompany the entry registration portion of this form.

Trophies: Take-home and Perpetual trophies for all classes will be presented at SWYC on **Sunday, July 7th** at 1100 hours.

RACE FOR FUN – SPECIAL CRUISING CLASS

Requirements: This class was established to promote *fun* racing and encourage participation by sailors who do not generally race. It includes restrictions and limitations on helmsmen and equipment and is intended for production Cruising-type boats. It is intended for the cruisers who do not wish to compete with the racers and should be entered in the Corinthian spirit.

1. The designated skipper must be at the helm during the start and the finish.
2. No ULDB (above 1.9 Performance factor).
3. Use of autopilots and wind vanes are permitted.
4. Boats will have an optional up to 6-hour motoring time and will be given an engine time offset. Parameters will be specified in the Sailing Instructions and will be strictly enforced.

SOMETHING SPECIAL.....

Racing class boats will participate in a trophy dash to a weather mark. Be the first to round the weather mark (corrected time) in your class and win a Prize.
