

Santa Monica Windjammers Yacht Club

Presents

The 2013 BBQ Race Series

We will establish 2 Classes for 2013. The "A Class" will be for the faster boats and experienced Skippers. The "B Class" will be for slower boats and the newer racers
The race dates are:

BBQ#1-April 14

BBQ#2-June 2

BBQ#3-July 14

BBQ#4-August 11

BBQ#5-September 29

The first race on April 14 will be a reaching race starting in the vicinity of "SS" Mark located offshore of the American Flag on the detached breakwater. The course will take you to Santa Monica Pier and back to the south entrance and down the channel to finish in front of SMWYC.

Subsequent races will be more interesting and challenging as the season progresses. We use a level playing field handicapping system that generates handicaps so that if the next race were duplicated in time and distance, all the boats would finish at the same time. The new "A Class" will adjust a maximum of 15 seconds per mile per race.

The entry fee is \$10.00 per race. New this year, the entry fee will be reduced to \$8.00 per race if you enter all five races for the season.

You can enter ON LINE at www.smwyc.org/racing or at the club on race days between 1000 and 1300 hours.

Sailing Instructions will be available on line or at SMWYC between 1000 and 1300 hrs of each race day.

Join us at SMWYC after each race for Race Results, and Adult Libations. A cook your own BBQ will be available for purchase.

Contact Vic Smith for further information: racecaptvic@yahoo.com or 310-435-4679.
