

Santa Monica Windjammers Yacht Club Presents

The 2015 BBQ Race Series

This is a 6 Race Series designed for new racers and heavy slow cruising boats "B Class", and faster race boats with experienced skippers "A Class"

The handicaps are adjusted after each race so even the last place boats get a chance for a trophy. A Class boats will be adjusted to a maximum adjustment of 15 seconds per mile per race.

The Race Dates are on Sundays

April 26

May 24

June 14

July 19

August 9

September 27

The courses will be more challenging this year utilizing the Olympic circle buoys. We will use a designated committee boat to start and finish the races. There will be two starts. B Class at 1430 hours and A Class at 1435 hours each race day. The individual race trophies will be upgraded and a "Series Perpetual Trophy" will be awarded in both A and B Classes.

Entry fees will be \$15.00 per race or \$70.00 for the entire 6 race series.

Enter at SMWYC and pick up sailing instructions between 1000 hours and 1300 hours on race days.

The Trophies will be presented at SMWYC after the race. The "Cook it yourself BBQ" and adult libations will be available for purchase.

Contact Vic Smith for further information.
