## **SANTA MONICA WINDJAMMERS YACHT CLUB**

### **February 2 - February 8, 2015**

Another week where I can start the announcements by saying WOW and this week it is being said in a HUGE way since your club has really gotten busy with events, sailing cruises, new members, new rentals and fabulous involvement of volunteers in a grand scale.

Just to recap the activities, we started last week after the super successful "Super Bowl Regatta," then on Wednesday had the most delicious surprise in the form of "No Cooking Wednesday" done by our **Sandy Weir**, who prepared the most delicious Roast Beef ever, then we again had Weight Watchers to work off the pounds gained from the night before and all of this was followed by our departure to King Harbor Yacht Club for **Matt and Vikki Clark's** terrific "Super Bowl Cruise" with 9 boats attending this one including yours truly, **Charlene and Norm Perron** who gave a technical session on DSC equipped radios, **Warren and Joyce Fox**, yes we found Warren, among others who are seen in this photo,

and just look at all the boats lined up for games, pot luck, food, great movies and fabulous exchange of ideas.

If that was not enough, due to the great efforts of **Lee and Cheryl Rhoads, Hartmut Eggert**, our great bar manager **Danny Stefanowicz and Lyly** with the timely help of **Dana Hanes**, the special Chilly brought in by **Judy**, we pulled off the largest Super Bowl party in the club yet, with almost 100 people in attendance, some were super happy to cheer for the Patriots and some not so much since coach Carroll called for the most stupid play of the game. But the best call of our game was to have all our members enjoying each other, volunteering and being part of the action in your club. So many others helped and I am forever thankful for it

Even Past Commodores attended, Pat Salcedo, Debbie Thomson and others

## New Officer of the Day Schedule 2015

A-Shift is from 9:00 am-1:30 pm; B-Shift is from 1:30 pm-6:00 pm. To make it a little more interesting, the names in **bold** indicate that there is an event or private party that day, so you may expect more activity which makes the day a little less boring, and we have music almost every Sunday at 4:30. Plus we are offering a new incentive: after your shift, you are invited upstairs for a beverage on the house (draft beer, house wine, well drink, or soft drink) as a 'thank you' for participating in the O.D. schedule. For those shifts that the bar is not yet open, just bring your O.D. log to the bartender which shows that you did your shift, and he will honor the incentive.
