

This Week At

SANTA MONICA WINDJAMMERS YACHT CLUB

June 22nd, 2015 - June 28th, 2015

I REALLY hope all the FATHERS out there had a REALLY great day. So much so that I wanted to start this "This WEEK" with a father having a great day.

Beginning last Sunday with the BBQ regatta won by none other than our own James Baurley (who you can see is a father) and crew, specially the youngest member of his crew, what a cutie. Congrats James and family, looks like we got a new generation of sailors coming up. You are a great father and hope to see you more often in the clubhouse...

And speaking of a generation of sailors, check out the booth we had in Ontario that was set up to recruit junior students to our newest agreement with Inspire Charter Schools to provide sailing and education instruction at our own clubhouse. Our newest teacher Rhanna was in Ontario from Thursday to Saturday representing SMWYC and telling them all about the great club and instructors we have. This will be a great arrangement for both of our organizations and next week, she will be in Torrance for another convention recruiting more Juniors for our super successful Juniors program.

This is how we are planning on getting this to be a thriving club, by making them the next generation of sailors that will learn to sail and will appreciate the sport.

But more closely in time, was the longest day of the year, the Summer Solstice Party we just had in our clubhouse patio and bar. Danny was superb in getting this impromptu party set up and we came to PARTEEE. Specially once we agreed on the music to be steel drums that were checked out by Lee Rhodes and potential new junior sailor.

This was a well attended party with lots of members and friends making this club the happening place to see the sun set at 8:30 at night, AWESOME...

Looking Forward

New Officer of the Day Schedule 2015

A-Shift is from 9:00 am-1:30 pm; B-Shift is from 1:30 pm-6:00 pm. To make it a little more interesting, the names in **bold** indicate that there is an event or private party that day, so you may expect more activity which makes the day a little less boring, and we have music almost every Sunday at 4:30. Plus we are offering a new incentive: after your shift, you are invited upstairs for a beverage on the house (draft beer, house wine, well drink, or soft drink) as a 'thank you' for participating in the O.D. schedule. For those shifts that the bar is not yet open, just bring your O.D. log to the bartender which shows that you did your shift, and he will honor the incentive.

I gave the chance for everyone to contact me regarding their preferred dates, I assigned the ones that requested and have consequently gone down the line alphabetically with the other assignments.

Day	Date	A Shift	B Shift
Saturday	June 27	Need Volunteer	Need Volunteer
Sunday	June 28	Michael Pitari	John Quickley
Saturday	July 4th	Juddy Pruett	Need Volunteer
Sunday	July 5	Ron Wood	Marlene Wood
Saturday	July 11	Lars Radmall	Vicki Rocco
Sunday	July 12	Cheryl Rhoads	Lee Rhoads
Saturday	July 18	Brenda Ricker	John Ricker
Sunday	July 19	Georgia Hastings	Robinson Hastings

Upon becoming a member of SMWYC, you agreed to perform at least one shift per year. Unless you contact us with a preferred date, one will be assigned to you. If you have been assigned a date that you cannot fulfill, you should immediately find a replacement by trading with another member. You can post your desire to trade by sending an email to the club's yahoo group email which is smwyc@yahoo.com. If for some reason you are unable to make a trade, please contact Commodore Themis Z. Glatman TLadyManor1@aol.com. If you fail to do your duty when assigned or if you do not find a replacement, **you will be billed \$50 per shift.**

Please refer to the blue O.D. log book for flag etiquette, and remember when an Officer is on deck, hoist their flag. Flags are in the office closet and labeled. Thank you.

We will be getting more strict in our parking monitoring since we now have many more boats in dry storage and we need the spaces.

PLEASE display your window decal prominently in your car so we know you are a club member in good standing, as of now, we are waiting for more stickers to be delivered, as soon as we have more, they will be available for members that did not get them or only got one even though they are a full flag member with a spouse, please be patient. The new addition is a bumper sticker style sticker to also put in the windshield, better looking than the first one with a white background.

P.S. Have you sponsored a member lately? 😊
