# This Week At 2016 Club of the Year

**SANTA MONICA WINDJAMMERS YACHT CLUB**  
**July 17th, 2017 - July 23rd, 2017**

Last Saturday there was another free concert in Burton Chase Park. Remember that your Permanent Parking Permit for our lot will get you past the police barricade and to our parking lot. Some of our members were confused and thought they could not get to the parking lot. Just show the permit to the police at Admiralty and Mindanao and tell them you are a member of the club and have access to our lot.

Our FBO will take advance reservation orders for the box lunches which have been very well received. Follow the concert schedule closely and plan on attending some of these concerts.

Look at the happy faces of our Commodore and Vice Commodore in before going to hear the music playing just behind them in the Park.

Once again we want to praise the Race Starting Clinic led by Greg Rutter. This really is a great service to the entire racing community, and many experience racers come to our club and share the reasons they are racing experts. You can't help improving your race starts. If you were not able to attend, stay tuned for the next one..

Last Wednesday was the "Change of Command" for the Coast Guard Cutter Halibut berthed here in the Marina del Rey. The ceremony was attended by the Commander of the Coast Guard Long Beach/ Los Angeles Sector, and we thank the outgoing Commander, Lt. Matt Hurtt, for

inviting our Commodore to attend. There was even a fly over of the Coast Guard base on Fiji by the USCG rescue helicopter to see Lt Hurtt off to his new duty station..Command of the Halibut was transferred to Lt. j.g. John M Epperly. After the formal change of command, the Club hosted the reception for the invited guests. Best of all, the three senior officers on the Halibut have joined the Club as First Responders. We really honor the service of the Coast Guard that is always there to help us in an emergency

## “Semper Paratus” Go Coast Guard !!!

Remember that flag members are entitled to use any of our on water amenities such as Kayaks, Paddle Boards and Small Boat Fleet vessels any time you wish at no charge.

### Racers at SMWYC

We have had major improvements in racing standings this past week with the Second Place by our own James Baurley in PHRF D sailing his Viper boat. Congratulations also to Lee Rhoads moving up two spots in PHRF E followed by Brian Kerr in his J/90 for the same division. We also recognize Julie Warnock for getting back in the swing of things in Cruising B. Way to go racers. Thank you for sailing under our burgee.

## Friday July 21<sup>st</sup> - First day of the YRUSC Cruise to Catalina Harbor

This is a great chance to be on the back side of the island and enjoy the Del Rey Yacht Club facilities in Cat harbor. The anchoring is easy and always available. The food will be great since we will cook our own, and there will be entertainment provided.

A great chance to participate in one of the great cruises have been invited to participate. It is a great chance to escape the heat from the city as well. Do not miss this one.

## Sunday July 23<sup>rd</sup> -- Barbeque Series Continues.

Another chance for you to try out all the you learned in the past Racing Clinics.

All the handicaps having been adjusted by now. It should be a good race for all involved and a great chance to come up to the podium and win a prize. As our Lee Rhoads says, "a day sail with a purpose."

**DAY DUTIES (OD)**

As we have been mentioning in the past few “This Week “bulletins, we have scheduled the new Officer of the Day duties for Sundays.

It consists of two shifts, the first one starting at 10 in the morning going until 1:30pm and the other going from 1:30pm until 5pm. Both shifts are of 3 1/2 hours and there will be a supporting person there to let you in, explain what to do and help you to become the ambassador for the club and to get to know the club and its members better so we are all more engaged and able to appreciate all the club has to offer. Since only one person mentioned a preferred time, we started alphabetically and now is time for...

Day	Date	A Shift	B Shift
Sunday	July 23	Katherine Conway	Ralph Cooley
Sunday	July 30	Matt Clark	Viki Clark
Sunday	August 6	Vicki de Luca	Paul de Luca
Sunday	August 13	Betty Coppin	Roberta Brown
Sunday	August 20	Julian Levi	Dylan Drew
Sunday	August 27	Rosemary Depauw	Patricia Salcedo
Sunday	September3	Patricia Eastman	Ralph Cooley
Sunday	September10	Hartmut Eggert	Gary Eisenberg

Upon becoming a member of SMWYC, you agreed to perform at least one shift per year. You may be able to switch with other members for a different day by using our roster and informing the OD Chair Themis Z. Glatman at [TLadyManor1@aol.com](mailto:TLadyManor1@aol.com) of the switch.

If you are not able to fulfill your OD obligation, we will hire someone to cover your shift and charge your account \$50.00. This is only ONCE A YEAR and it will benefit not only the club but each individual member.

## NEW SHIP STORE MERCHANDISE
