

This Week At

SANTA MONICA WINDJAMMERS YACHT CLUB **July 20th, 2015 - July 26th, 2015**

It is really amazing to see how many things go on in your Yacht Club in a week's time.

We can at one time be having a wedding in the afternoon, the Juniors in the morning, simultaneously an office meeting, the bar is open and there are people enjoying themselves, construction is going on in the parking lot, moving of the boats in the anchorage is ongoing, others are on the race course competing for the local trophies and LOTS of planning are always going on behind the scenes for every one of these events.

Our club is blessed with the best location, the best view, the only park in the entire marina next to us, where we enjoy concerts in the park and concerts in the bar.

Construction going on in Anchorage

So for me this is the midway point in my year as Commodore and I am amazed at how much we have accomplished (did I mentioned a GREAT Opening Day Partee?), and also our great Juniors program. I sincerely hope you get to take some time and come over to meet our newest members, 28, mostly from MVYC, signed up as of this month alone and more promising leads on the way.

Juniors in our Patio getting ready with Alexia Rodriguez

But just getting new members is not the answer for a great club, it is also the way we retain members that means much more. If you have an idea, a project or a suggestion on how to improve our hospitality and camaraderie please would you let me know? I am very proud of what we accomplished together and so should all of you.

But now let's focus on upcoming events happening in the next week.

Looking Forward

With the great success of our Junior program, the "Super Honorary Member" Steve Potter has decided to start a sailing program for the adult members of the club. We have done it in a trial mode and it has worked so much so that even Vicki de Luca has been delighted in the lessons and has learned many different things about sailing. For more information see our web site at smwyc.org, our SMWYC TV board, or call Steve Potter.

Get Ready for CELEBRATION NIGHT August 29th 7pm till the lights go out

Since we did not have one in the past couple of months, we now are planning a GREAT one with LIVE MUSIC, great dancing, terrific food for all the members to come and celebrate your club and your life's accomplishments.

Yes, if you have an urge to dance and to be happy, this will be the place to do it and the place to be at.

The party will start at 7pm with great food organized by our own Pat Salcedo (she knows how to throw a party) and will be followed by a band that will make us get up and dance.

If you are celebrating any birthday, anniversary, wedding, accomplishment, then let us know and you will get a free bottle of CHAMPAGNE on the house to help you celebrate your event.

For our new members, this will be a great time to come over and see how we PARTEEEEE ☺

PLEASE display your window decal prominently in your car so we know you are a club member in good standing, as of now NEW DECALS ARE AVAILABLE, they will be available for members that did not get them or only got one even though they are a full flag member with a spouse. The new addition is a bumper sticker style sticker to also put in the windshield, better looking than the first one with a white background. THESE CAN BE PURCHASED FOR \$1.00

New Officer of the Day Schedule 2015

Upon becoming a member of SMWYC, you agreed to perform at least one shift per year. Unless you contact us with a preferred date, one will be assigned to you. If you have been assigned a date that you cannot fulfill, you should immediately find a replacement by trading with another member. You can post your desire to trade by sending an email to the club's yahoo group email which is smwyc@yahoo.com. If for some reason you are unable to make a trade, please contact Commodore Themis Z. Glatman TLadyManor1@aol.com. If you fail to do your duty when assigned or if you do not find a replacement, you will be billed \$50 per shift.

Please refer to the blue O.D. log book for flag etiquette, and remember when an Officer is on deck, hoist their flag. Flags are in the office closet and labeled. Thank you.

A-Shift is from 9:00 am-1:30 pm; B-Shift is from 1:30 pm-6:00 pm. To make it a little more interesting, the names in **bold** indicate that there is an event or private party that day, so you may expect more activity which makes the day a little less boring, and we have music almost every Sunday at 4:30. Plus we are offering a new incentive: after your shift, you are invited upstairs for a beverage on the house (draft beer, house wine, well drink, or soft drink) as a 'thank you' for participating in the O.D. schedule. For those shifts that the bar is not yet open, just bring your O.D. log to the bartender which shows that you did your shift, and he will honor the incentive.

I gave the chance for everyone to contact me regarding their preferred dates, I assigned the ones that requested and have consequently gone down the line alphabetically with the other assignments.
