# This Week At

## 2016 Club of the Year

**SANTA MONICA WINDJAMMERS YACHT CLUB**

**July 24th, 2017 - July 30th, 2017**

What a great club we have with so many offerings to the membership in a week that was just filled with events, music, movies, and much sailing to boot.

Let's start with the AMAZING concert we had in the park last Thursday evening. It was an incredible experience listening to the 75 piece orchestra first performing great orchestral pieces, and then having the orchestra flawlessly play background to the funny, heartwarming Charlie Chaplin silent movie "The Kid". We enjoyed a great evening with the warm weather, beautiful sunset and great lunch boxes prepared by our FBO. A once in a lifetime opportunity enjoyed the Beane family, the Glatmans and the Cross family and friends to name a few.

The next day was the cruise to Cat Harbor for the three day YRUSC event. A great sail was reported by our Commodore who reports his boat was doing 9 plus knots heading to the West End. On Saturday we enjoyed breakfast in the Del Rey Yacht Club facility at Cat Harbor with plenty of time for folks to hike, go to town, see the new Isthmus Beach Facility or just enjoy two scoops of Ice Cream ☺ For those who have never been to the back side of Catalina Island, here is a photo of our Commodore sailing by "Ribbon Rock Point" approaching Cat harbor from the West End.

Sunday was the return day for the Cat Harbor cruise as well as the 4<sup>th</sup> BBQ race put on by our Race Committee. Some boats left Cat harbor early to get to the club in time for the race and the music afterwards, or was it for the food and drinks? One of the racers was Commodore Ron Orr who came into his slip, picked up his racing crew and raced the course with all the provisions from the cruise. Even then he finished 4<sup>th</sup> place after a horrible start. Our own racer Lee Rhoads was the winner for

his class taking home the coveted BBQ Utensils; way to go Lee...

We owe a debt of gratitude to our VOLUNTEER race committee members who put on a great racing schedule for the benefit of the sailing community.

**Remember that flag members are entitled to use any of our on water amenities such as Kayaks, Paddle Boards and Small Boat Fleet vessels any time you wish at no charge.**

## Racers at SMWYC

We have great results in the PHRF D so we will post the results from the Sunset Series event here. There were four racers in that class from our club.

## **OFFICER OF THE DAY DUTIES (OD)**

As we have been mentioning in the past few “This Week “bulletins, we have scheduled the new Officer of the Day duties for Sundays.

It consists of two shifts, the first one starting at 10 in the morning going until 1:30pm and the other going from 1:30pm until 5pm. Both shifts are of 3 1/2 hours and there will be a supporting person there to let you in, explain what to do and help you to become the ambassador for the club and to get to know the club and its members better so we are all more engaged and able to appreciate all the club has to offer. Since only one person mentioned a preferred time, we started alphabetically and now is time for...

| Day    | Date         | A Shift          | B Shift          |
|--------|--------------|------------------|------------------|
| Sunday | July 30      | Matt Clark       | Viki Clark       |
| Sunday | August 6     | Vicki de Luca    | Paul de Luca     |
| Sunday | August 13    | Betty Coppin     | Roberta Brown    |
| Sunday | August 20    | Julian Levi      | Dylan Drew       |
| Sunday | August 27    | Rosemary Depauw  | Patricia Salcedo |
| Sunday | September 3  | Patricia Eastman | Ralph Cooley     |
| Sunday | September 10 | Hartmut Eggert   | Gary Eisenberg   |
| Sunday | September 17 | Mike Farrell     | Marion Fiske     |
| Sunday | September 24 | Betty Ford       | Jerry Frank      |

Upon becoming a member of SMWYC, you agreed to perform at least one shift per year. You may be able to switch with other members for a different day by using our roster and informing the OD Chair Themis Z. Glatman at [TLadyManor1@aol.com](mailto:TLadyManor1@aol.com) of the switch.

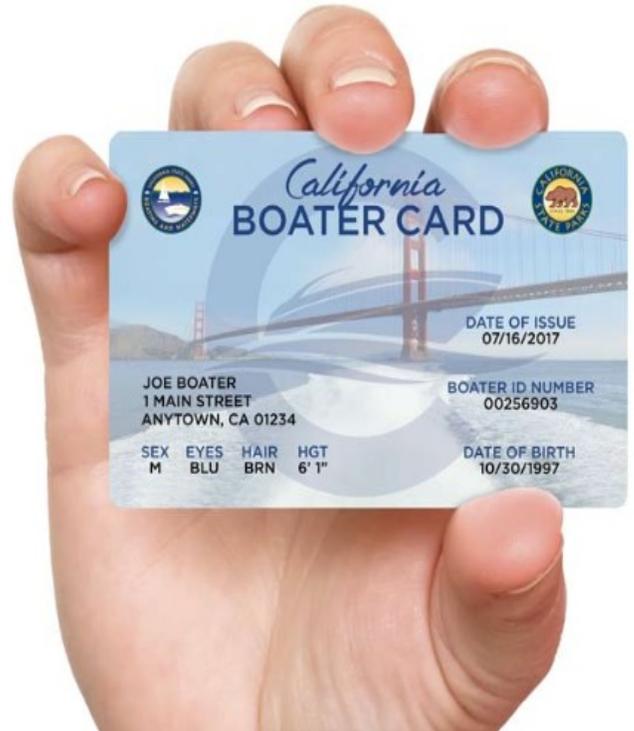

If you are not able to fulfill your OD obligation, we will hire someone to cover your shift and charge your account \$50.00. This is only ONCE A YEAR and it will benefit not only the club but each individual member.

### The California Boater Card

*Author: Bria Miller, Vessel Operator Card Program, California State Parks Division of Boating and Waterways*

California State Parks Division of Boating and Waterways (DBW) is implementing the new California Boater Card (CBC) program this year. The CBC shows that its owner has successfully taken and passed a National Association of State Boating Law Administrators/State approved boating safety course. Not a license, the CBC is a lifetime card and no renewal process is required. Beginning January 1, 2018, operators aged 20 and under are required to carry a CBC while operating a motorized vessel on California waterways. The CBC requirement will continue to phase in by age through 2025, when all motorized boat operators, regardless of age, are required to have a card. The one-time fee for the CBC is \$10.
