# This Week At 2016 Club of the Year

**SANTA MONICA WINDJAMMERS YACHT CLUB**  
**August 7th, 2017 - August 13th, 2017**

## BREAKING NEWS

We have just hired a Club Administrator to replace Nicolas Rodriguez who did an amazing job getting the office in shape and organizing our member's files and is now college bound once again.

His name is Joshua Schneeloch a really qualified person who promises to be able to take on the managerial duties of the club and get the office more streamlined and efficient.

Come by and introduce yourself make him feel welcomed.  
His hours are 10-4 on Wednesday, Saturday and Sunday.

We had fewer club events last week as the club was booked for private events, but we are really gearing up for new activities we hope you will participate in, so read on.

For starters, we have been enjoying the Concerts in the Park, which are one of the best perks of being a member at our Yacht Club if you consider box picnic meals and free parking for the event.

By popular demand Sunday Live Music Events is bringing back **WEST SIDE BAND** on August 20<sup>th</sup> for a rare appearance. This should be a popular event since it will cap the end of the Barbeque Series races we do for the Marina Sailing Community.

## Bridge and Board Invitation READ THIS

We are nearing the time of the year when we start thinking about the new directions the club will be following our membership will soon be asked to decide on a slate of officers and directors for the 2018 year.

Please consider whether want to help grow this club and make it better. Do you want to some decisions for the club? Perhaps you have some ideas you want to see implemented? This is the time to volunteer and let our Junior Staff Commodore Themis Z. Glatman know of your interest in helping govern the Club next year.

Whether you want to be part of the new Board of Directors or perhaps you want to serve as the Rear Commodore? Let us know; remember all of us are volunteers and we need each other to make this a great club.

**“Individual commitment to a group effort - that is what makes a team work, a company work, a society work, a civilization work.”**  
— Vince Lombardi

In our case, a great Yacht Club work ☺

### **Racers at SMWYC**

This past week was not so good for being a PRO in the Sunset Series, as the wind did not make an appearance. Many classes had only one or two boats finishing, and many boats just turned on their motors and went to the club for the drinking and partying (not a bad thing). One exception was our racers in PHRF D where **James Baurley** in the run for King of the Hill. Also **Brian Kerr** in PHRF E placed third and was one of the lucky finishers in the race.

Thank you racers for sailing under our Burgee and promoting our club's sailing roots.

## **Looking Forward**

**Monday August 7th -- Club Closed**

**Tuesday August 1<sup>st</sup> -- WSA Meeting at the clubhouse**

Although this bulletting is a bit late, I am sure they had a great time at the club as they always do. They meet on the second Tuesday of the month, so you should plan on attending one of their events.

### **DON'T FORGET TACO TUESDAY**

**Come and enjoy Breakfast, Lunch and Dinner 6 days a week 11am - 8pm on week days excluding Monday and 10 am to 9 pm in our Bar and Patio!**

**While the sun sets later, come and Enjoy the greatest views in the Marina. And get the box lunches for the Concerts in the Park.**

**August 11-13<sup>th</sup> -SMWYC and PMYC Luau Cruise**

This could be a great cruise as we go to the Isthmus, take a mooring, come ashore and partake in the festivities with PMYC. We will have fire Breathers, REAL luau dancers with their palm leaf skirts and lots of typical drinks, not to mention the great sights in Catalina and the beautiful trip there. Lately there has been enough wind to sail there, so don't miss this great chance to put your boat to good use.

## Music at the Park

### **Saturday, August 12<sup>th</sup> -- Music in the Park YO LA TENGO, an Indie Rock Band**

A really great band that will not only be playing for us in the park, but will then go to New York to play at the famous Bowery Pavillion.

So do not miss this chance to listen to great music for free and to enjoy our prepared lunch boxes prepared by our FBO.

### **Sunday, August 13th -- Family Day**

It's the middle of summer and here's another chance to bring the family and friends to enjoy a day on the water in our kayaks, SUPs and small sailboats. The fun starts at noon at the 1600 Dock and runs until 3:00.

## LOOKING FORWARD

### **SUNDAY AUGUST 20<sup>th</sup> – West Side Band in the House**

Exceptionally great music played in our own clubhouse by the West Side Band who have rocked us in previous times.

You should not want to miss this great opportunity to revel in a great session of music and dancing while enjoying our unique vies from the club plus the superb drinks and food in our bar area. Bring a friend and introduce them to your Yacht Club. It should be packed since it will also be the day for the Wayne's Great Circle race and the grand finale for the Barbeque Series.

## **OFFICER OF THE DAY DUTIES (OD)**

As we have been mentioning in the past few “This Week” bulletins, we have scheduled the new Officer of the Day duties for Sundays.

It consists of two shifts, the first one starting at 10 in the morning going until 1:30pm and the other going from 1:30pm until 5pm. Both shifts are of 3 1/2 hours and there will be a supporting person there to let you in, explain what to do and help you to become the ambassador for the club and to get to know the club and its members better so we are all more engaged and able to appreciate all the club has to offer. Since only one person mentioned a preferred time, we started alphabetically and now is time for...

Day	Date	A Shift	B Shift
Sunday	August 13	Betty Coppin	Roberta Brown
Sunday	August 20	Julian Levi	Dylan Drew
Sunday	August 27	Rosemary Depauw	Patricia Salcedo
Sunday	September 3	Patricia Eastman	Ralph Cooley
Sunday	September 10	Hartmut Eggert	Gary Eisenberg
Sunday	September 17	Mike Farrell	Marion Fiske
Sunday	September 24	Betty Ford	Jerry Frank
Sunday	October 1 <sup>st</sup>	Stanley Fung	Anton Fyodorov

Upon becoming a member of SMWYC, you agreed to perform at least one shift per year. You may be able to switch with other members for a different day by using our roster and informing the OD Chair Themis Z. Glatman at [TLadyManor1@aol.com](mailto:TLadyManor1@aol.com) of the switch.

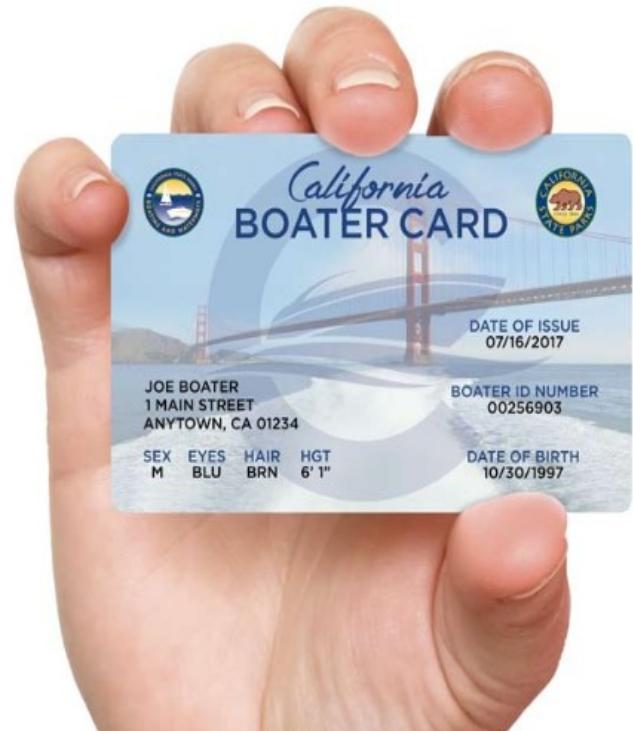

If you are not able to fulfill your OD obligation, we will hire someone to cover your shift and charge your account \$50.00. This is only ONCE A YEAR and it will benefit not only the club but each individual member.

### Coming Soon

### The California Boater Card

**Author:** Bria Miller, Vessel Operator Card Program,  
California State Parks Division of Boating and Waterways

California State Parks Division of Boating and Waterways (DBW) is implementing the new California Boater Card (CBC) program this year. The CBC shows that its owner has successfully taken and passed a National Association of State Boating Law Administrators/State approved boating safety course. Not a license, the CBC is a lifetime card and no renewal process is required. Beginning January 1, 2018, operators aged 20 and under are required to carry a CBC while operating a motorized vessel on California waterways. The CBC requirement will continue to phase in by age through 2025, when all motorized boat operators, regardless of age, are required to have a card. The one-time fee for the CBC is \$10.
