## **SANTA MONICA WINDJAMMERS YACHT CLUB** **October 17th, 2016 - October 23rd, 2016**

MYYY ooo MYYY, what a Fabulous time we had celebrating our 75<sup>th</sup> Anniversary this past Sunday, We

were soo successful in getting celebrities, Singers, Classic Cars, Special Interest Cars, Race cars, great food GREEEAT chili and delicious food mixed with a super

decorated club full of lively people dancing, singing, eating and really enjoying themselves.

Not to mention a chance of learning All about our founder

Jack Taylor who was the first Commodore for our Yacht Club which is the OLDEST yacht club here before there even was a Marina del Rey. If you missed this one, you must have been in hiding. It will not be forgotten in a long time.

**(yes, this is Israel and his Dad singing with the Road Gang)**

Kudos go to Karen Cross who spearheaded this whole affair with the invaluable cooperation of our Junior Staff Commodore Themis Glatman and Commodore Ron and with other countless volunteers, including Membership Chair Zna Houston, Port Captain Steve Potter, Erin Politz, Rick Toomin ( who will now be known as

“The Chili Man”) and so many others.

We got new members, new prospects and many who really will go forth and tell tales of what a great Yacht Club we are.

We will just share some photos of the event, since words cannot describe it in full effect.

Here is Besim Bilman telling Mike Cross how to race his own racing Machine

Here is the winning car for **BEST OF SHOW**, a meticulously restored 1932 Packard Super Sport Roadster, a real show stopper.

Also, not to mention that our own **COMMODORE RON ORR** won for the **Special Car of Interest Award**. Here it is his super machine ready to take off in flight as it is a "Gullwing" SLS Mercedes Benz. We also had the contest for Best Chili and our own **RICK TOOMIM** won that contest by a Landslide, Israel and his dad did a chili version that was outstanding, but they had **BACON** in it, and what does not taste better with Bacon???

Like I said, so many fun things to do, including the Caricature drawing of people and cars or people **WITH** their cars. Thanks to Steve Potter and the Juniors for a real fun race and regatta out in the bay with buoys set up for the intrepid Juniors to run the course.

Enough pictures??? Now let's see what else is coming up for you to continue the enjoyment in our club ☺

# **THE FOUNDER'S** **CRUISE**

## **Paradise** **Cove**

**Friday- Saturday and**  
**Sunday.**  
**October 21-23rd**

What a great time we will have in this Idyllic Cove right in our backyard. We will bring Stand Up Paddles, Kayaks, Dinghies and lots of food to share with other boaters in this great location along with great conversation.

Imagine anchoring in 35 feet of water, protected by the cliffs, with a view of the California Coast, a GREAT restaurant just a short swim or Kayak

Away ☺, all this for you on your boat relaxing your troubles away.

Not only that, but this will continue our celebration of our 75<sup>th</sup> Anniversary since the VERY FIRST CRUISE our club members EVER did in 1941 was to Paradise Cove.

So we are naming this the Founders Cruise in honor of those that imagined this club being a important part of the Marina del Rey fabric.

Do not miss this cruise, we will be joined by some other boats from Marina Yacht Club as well the chance to see Mike Cross piloting a POWER boat on his own. You can get there on Friday and anchor, and I know three boats will come Saturday morning. We will enjoy the day , spend Saturday night under the stars, have breakfast on Sunday morning, maybe have a kayak race or SUP race and after lunch raise anchor and go looking for dolphins or whales in the Bay on the way home. Do not miss this Founders Cruise and be part of the History of this club...

## Do You Know A First Responder? Or and Active Duty Military Personnel?

This is your chance to show them that we care about their well being. We have new membership packages that have been created to give them a super low price for their membership.

Tell them about us and invite them to our club, and we will do the rest...

This past week, we also had our own First Responder member Dane DeBoer invite all of his shift for a luncheon in the club to show them our hospitality and great food. Not only that, but they brought their fire engines to cement their presence> Have you invited your co-workers for lunch in the club? Why not give them a chance to learn about our great yacht Club???

**HALLOWEEN FRIGHT. October 29<sup>th</sup> 7-10pm**

Nick and the entire FBO Team are planning on our First Annual Fright Night in our club.

They want to turn the storage area into a scary area for the kids (and adults) with a Disc Jockey to entertain us thru the night.

The flyer features a dark, textured background with a tree silhouette on the left.
