This Week At

SANTA MONICA WINDJAMMERS YACHT CLUB October 24th, 2016 - October 30th, 2016

Unbelievably as it may seem, the year is almost over and our activities keep on coming. If you have not participated in them, you are really missing out on a great time, and you should try to get in the swing of things for the remainder of the year,

In this edition, I will be mentioning numerous activities that just scream FUN< FUN< FUN.

Speaking of activities, we just finished our

“**Founders Cruise**” to Paradise Cove with many boats and LOTS of food and great conversation. We started the party on Friday with Mike Cross and others getting there and anchoring in the calm waters; then on Saturday the rest of us got there and

had a chance to Kayak and SUP in the beautiful cove with some of the clearest waters around. We especially thank **Karen and Mike Cross** for shuttling all of us from boat to boat. Sunday we all got together on

Commodore Ron’s boat for a great breakfast before returning to our cozy slips. A real great time, especially since this was the place where our first Commodore went for a cruise with the newest members of our great club in 1941.

Happy 75th Anniversary SMWYC.

camp.

Last Friday we also saw our club really hopping with the Induction of Rosalie Green as worldwide President of the “International Order of the Blue Gavel” which is the club to which all Commodores may belong after their term is finished at their respective yacht clubs. Our Commodore made a great speech about SMYC **Founder Jack Taylor** describing he was the very First Navy Seal as a member of the OSS during World War II and how he testified at the Nuremberg War Crimes trials after being liberated from a Nazi concentration

Enough encouragement? Try and attend some upcoming events. Let's see what else is on the calendar for you to continue enjoyment of your club membership ☺

Do You Know a First Responder? Or an Active Duty Military Personnel?

This is your chance to show them that we care about their well being; we have new membership packages that have been instituted to give them a super low price for their membership. Tell them about us and invite them to our club, and we will do the rest...

Have you invited your co-workers for lunch in the club? Why not give them a chance to learn about our great yacht Club???

Looking FURTHER Forward

The Commodore's Cruise

November 18th -20th

This will be the year's LAST cruise; hard to believe we have already had 6 cruises this year, That is the most cruises in the past few years, and this one is truly special as it will not only be our **Commodore Ron Orr's Cruise** but we will also be celebrating his birthday. Under penalty of repercussion, I am NOT able to divulge his age, but he is eligible for the draft ☺ We will be going to the Long Dock in Long Beach and join the Long Beach Yacht Club for their festivities on those days. We will be walking to the nearby shops, enjoy a Pot Luck party on the dock and have a really nice dinner in their club with a big cake for him to blow ALL the candles out. PLEASE REALLY TRY AND MAKE THIS ONE CRUISE.

Ron has done soooo much for our Yacht Club this year, and he has agreed to be our Commodore for another year. This will be a great time to show our appreciation and

have a great time. Mark your calendars for this really special date.

Have you met Luella? She will answer your questions, reserve your Kayaks or sell you a T-Shirt, so come and say Hi, she is here on Wednesdays, Saturday and Sundays. Deb will do the same Tuesdays and Fridays.

We now have the gate working, so MAKE SURE you know the new code as the GOLD CARDS DO NOT WORK IN IT ANY LONGER

Pay Attention to the new parking issues !!!!!!!

YOU NOW NEED A PARKING PERMIT SINCE SEPTEMBER 1st. The county is giving tickets now and we will not be able to remediate the citation. Permits are available from the office when we are open. They require a \$25.00 deposit (refundable) and will need to be displayed in the front windshield.

ONCE AGAIN IF YOU MISSED
