

# This Week At

## SANTA MONICA WINDJAMMERS YACHT CLUB November 2nd, 2015 - November 8th, 2015

I know this is going to sound like a broken record, but I CANNOT believe how busy this week was and how well attended our events have become to the delight of our membership.

Beginning with the much anticipated Annual Business Meeting which took place on Tuesday past, we actually had a quorum for the first time in four years. It took a lot of calling and prodding but between the proxies sent and the actual people that showed up, we ended up with 33 people represented and we were able to conduct club business with a quorum.

The MOST important item was the nomination process and for the first time in a long time we will have a choice for voting for Commodore as we have entries for Hartmut Eggert and Ron Orr, Mike Cross for Vice Commodore and Michael Joy for Rear Commodore YEAHHHH!!!

Then it was on to the better publicized Education Night event ever which benefitted from the exceptional donation from the Rodriguez family which brought Jonathan Aguas to be the speaker for our benefit.

After a SUPER delicious dinner (prepared by yours truly) Jonathan wowed us with his presentation, expertise, knowledge and even sharing some photographic tips for us all on how to frame photos and how to tell a story (many of his photos ended up on the pages of National Geographic Magazine), for those that were there it sure was

a fun time

After all of that food and information it was on to organizing a super fun event the kids and Halloween, with help of the "Women of SMWYC" members and specially Katherine Conway who is helping us turn club into a more family oriented venue. We all had a great time decorating in the morning and

for

the

the

then

the kids came over at 3pm after sailing class and enjoyed games, good food videos and lots of pictures.

After all that work it was up to me to get another set of food and decorations (we even had a fog machine) for the Halloween party which even though it was not well attended by the membership ( a real shame since the band was out of this world) and those that were there were constantly getting on the dance floor. Here I am with my Commodorable outfit. And check out Lyly and Danny who was our "ARRtender" for the evening.

We will be sure to get this band back in the club again for us to enjoy and get us dancing once more.

But now to the upcoming events for This Week..., let's move on to the actual coming up parties and announcements, which are many and I Really Want you all to attend them since the year is running out and we need to see you in the club.

### New Officer of the Day Schedule 2015

A-Shift is from 9:00 am-1:30 pm; B-Shift is from 1:30 pm-6:00 pm. To make it a little more interesting, the names in **bold** indicate that there is an event or private party that day, so you may expect more activity which makes the day a little less boring, and we have music almost every Sunday at 4:30. Plus we are offering a new incentive: after your shift, you are invited upstairs for a beverage on the house (draft beer, house wine, well drink, or soft drink) as a ‘thank you’ for participating in the O.D. schedule. For those shifts that the bar is not yet open, just bring your O.D. log to the bartender which shows that you did your shift, and he will honor the incentive.

**I gave the chance for everyone to contact me regarding their preferred dates, I assigned the ones that requested and have consequently gone down the line alphabetically with the other assignments.**

You can post your desire to trade by sending an email to the club's yahoo group email which is [smwyc@yahoo.com](mailto:smwyc@yahoo.com). If for some reason you are unable to make a trade, please contact Commodore Themis Z. Glatman**
