This Week At

SANTA MONICA WINDJAMMERS YACHT CLUB November 28th, 2016 - December 4th, 2016

I REALLY hope you all had a GREAT Thanksgiving with Family and Friends and enjoyed the Holiday weekend in our beautiful Marina del Rey ☺

Hard to believe, but we are almost in December, and I hope you are ready to enjoy family, friends AND our club now that the time for Holiday festivities are upon us.

Speaking of festivities, have you seen the masterful job our FBO has done to the Yacht Club? WOWWWW, it is all decorated and ready for the holidays and Christmas Parties we will be hosting this month. Thank you Nick, Israel and his dad Victor.

We did not even had to ask for volunteers, they really have the best interest of the club at heart, and I ask you all to support them any

way you can. Try their dinners, their drinks, bring a friend to enjoy the food, the view or just tell them how much you appreciate their efforts in making our club alive with food, drink, service and on occasion great music.

Now the great news is our Holiday Boat Parade.

We are all set to use our Commodore's sailboat as our entry, and we have a meeting set for this

Monday (the 28th) at 5:30pm in the clubhouse to discuss design, logistics, sound, energy needs and such.

If you are a parent of a junior, try and attend it since we will be featuring them in our parade entry. We are really trying to win the best boat in the parade award. We have the capability to win it, but we need YOU to come and help us out.

We need generators, batteries, ideas and manual labor to put it all together. Give us a hand. Award winning entries receive cool prizes that will be given out to dedicated helpers. So let's all lend a hand and participate.

The big news this past week is our "Brand Spanking New" Website! Have you had a chance to check it out?

Very colorful and interactive with opportunities to contribute articles and information, and we now have a dedicated webmaster who will monitor and update it with relevant information. It is definitely worth your time to look at it and discover its secrets. There may be some glitches, but we will work steadily improve it.
