This Week At

SANTA MONICA WINDJAMMERS YACHT CLUB
December 13th, 2016 - December 19th, 2016

WOOOWWW!!! We really did it.

We must start This Week with the best photo we have ever had of the most beautiful boat in the parade. In looking at other winners from past years, this was by far the best lit and the best boat crewed with volunteers and Juniors.

What a GREAT effort by our members and their children.

Our Hearts fill with pride by having had SOOO many volunteers at various times from Thursday through the Sunday tear down. A steady stream of Parents, Juniors, Members, Bridge Officers and Directors made this dream a reality.

BIG THANKS TO OUR COMMODORE RON ORR for letting us wreck his boat with all those lights, all those chords and all those happy singing Juniors and Jr. Staff Commodore (but keep your day job). A great feat indeed. So many people have to be thanked for this effort, and I am not qualified to name them all. Besides Themis Glatman, Ron Orr, Norm and Charlene Perron, and Matt Clark, Mike and Karen Cross, we must single out

Rick Toomim whose high wire rigging act was priceless; without him, this would NEVER have happened. Also, thanks for the fantastic efforts of Steve Potter, Kevin Johnson and especially Lee Rhoads for decorating the Juniors small boats and driving the chase boat to guard us from danger; and did I mentioned Lee also provided the music picks for us?

So many parents could also be mentioned; you know who you are and that you were a big part of this effort plus, children such as Ethan Beane who figured out the missing plugs at the last moment. You could tell that it was a great time from the looks on the faces of the children.

We all should congratulate ourselves on a job SUPER WELL DONE...

Thank you photographers Bert Tietje and Marissa Burgoyne for their pictures in this bulletin.

I understand that the bar was really happening, and Danny (have you seen his train set up ?) mentioned he was so busy he could not even put his train in motion. Thanks for all those that have made our club alive again with so much enthusiasm and camaraderie towards each other. It is indeed a great way to end 2016.
