SANTA MONICA WINDJAMMERS YACHT CLUB

2016 SCYA Club of the Year

Once again I just have to start the "This Week" with the greatest announcement of this ENTIRE YEAR, in that we have been selected as the **2016 Regular Club of the Year** by the Southern California Sailing Association (SCYA).

Of all the clubs competing, we were the ones that gathered the most points, and this goes to the credit of all of our members, but certain people specially needs to be mentioned and they are:

Themis Z. Glatman- For keeping track of ALL the activities and creating new activities to make the points we needed

Ron Orr- For going to all the meetings necessary to receive points and for participating in the cruises we had throughout the year

Steve Potter- For getting the Junior program to the success it is and for making the scholarships available to kids so we could get the points in that category

Denise George and Besim Bilman, along with the entire Race Committee, for getting all the races done to maximize our points allowed in their category.

Mike Cross and Karen Cross- For going to our cruises during the year along with other members such as the Rodriguez Family, Matt and Vikki Clark, Gisele Ozeri, Vicki and Paul de Luca and so many others.

And for the entire Membership for contributing whenever they were asked to participate and for making this dream a reality.

Indeed we are on a roll winning awards, increasing membership, AND being named 2016 **CLUB OF THE YEAR.**

CONGRATULATIONS TO US ALL.

INSTALLATION NEWS!!!

And if that was not enough good news, we just installed our newest officers and returning ones for the new year of 2017.

Our good fortune will see **Commodore Ron Orr** doing one more term so he can conclude our leasing negotiations among other things he has proven to be so good at it.

Vice Commodore Mike Cross who has been helped by his lovely wife Karen Cross in getting the club better situated

Rear Commodore Zna Houston who had already started this year with the duties of membership and will now be the new Rear Commodore.

Treasurer Elise Beane- Who is working diligently to get us a proper budget to guide our activities during the coming year.

Denise George as Fleet Captain AND Race Committee Chairman since the two duties sort of intertwine. And **Themis Z.Glatman also returning as Junior Staff Commodore** to hopefully win Club of the Year once more? We hope so.

Ron Wood, Fred Weinhart, and Pedro Rodriguez continue as Board Members and **Steve Potter** and **Dane DeBoer** are newly elected Directors for three year terms.

This is the team that hopes to continue moving the Club forward with increased membership and more programs and events for the members.

Once again, we have started our annual [Toy Drive](#). With the festivities involving the Boat Parade, we have started a lot later than usual, but we plead with ALL Of YOU to open your hearts and bring an unwrapped toy or toys to the club before the 22nd of December so we can make a better Christmas to so many underprivileged children in the world.

Think of the blessings you had this year and help us help others in need this Holiday Season.

FORTUNATE CHILDREN

We will be picking them up on the 22nd of December and will take it to the Fire Station where one of our members is an active Firefighter.

Bring an unwrapped toy by the 22nd and feel good about it all year long 😊

Speaking of Toys:

Have you seen the BEAUTY that is Danny's Toy Train Masterpiece?

He has been collecting these Babies for the longest time and for the first time has had a chance to set it all up in our Regatta Room.

It is a MARVEL to behold; such a joy to see the little train go over bridges, streets, ponds and even close to Pirate Ships 😊

Here is just a taste of it, but you need to see the real thing up close to really appreciate it. GREAT WORK DANNY and THANK YOU...

Looking Forward
