

# MARINE VHF DSC RADIO SEMINAR

**Wednesday, February 25<sup>th</sup>, 8:00 pm**  
**Santa Monica Windjammers Yacht Club**

Have you ever wanted to better utilize your VHF radio?  
Thinking of upgrading your radio with state of the art Digital Selective Calling?

Norm Perron will lead the seminar, demonstrate, and explore:

Features of a VHF radio with Digital Selective Calling using MMSI numbers  
Transmission of your GPS data to the Coast Guard and other boaters in an emergency  
Selective calling of other boaters individually or as a group

Bring your fully charged DSC hand held radio if you have one. Be sure your MMSI number has been entered.

This seminar will be presented following our Wednesday Night Dinner. Attendance to the seminar will be limited to dinner participants only. The menu will be tri-tip beef with brussel sprouts, baked potato, spring green salad with almonds and cranberries and red velvet cake with coffee. All for just \$16.00 with reservations.

Cocktails are at 6:30 and dinner at 7:30pm followed by Norm's exciting presentation. Reservations **REQUIRED** for dinner at [reservations@smwyc.org](mailto:reservations@smwyc.org) by noon Wednesday.

Norm is a member of the local Catalina Fleet, Fairwind Yacht Club and Santa Monica Windjammers Yacht Club, holds a General class ham radio license, and has extensive knowledge in radio communications. Do not miss this opportunity to learn how to use this recent technology. It could save your boat and your life.
