

Santa Monica Windjammers Yacht Club and
Lido 14 Fleet 2 present the

2018 Super Bowl Charity Regatta

benefitting the

Santa Monica Bay Sailing Foundation

Saturday, January 27, 2018

The Super Bowl Charity regatta is open to all boats less than 25 feet long. Each year skippers aged 7 to 70 + participate for a great cause in the open largest small boat regatta in Marina del Rey! We even feature a SUP/Kayak harbor clean-up for folks not racing.

- **Three venues planned again this year. The Ocean for classes such as small sport boats, Lasers, Race Optis and CFJs. The Outer Channel for the Lido 14s, C-15s, CFJs and Classic Snipes and the Main Channel for Opti Green and our hybrid “Green Lite” class for novices in Optis, Sabots and RS Teras!**
 - **Harbor clean-up/cruise on SUPs and Kayaks for those not sailing**
- **Scheduled for Saturday so we can delay to Sunday in case of a blow out like 2016.**
- **Great hospitality as always from Santa Monica Windjammers Yacht Club including our famous awards banquet and raffle.**

Both the sailing and SUP event support the Santa Monica Bay Sailing Foundation which supports young sailors and junior sailing programs throughout the Santa Monica Bay. For more information email
